Projects with Earmarked Funds & in CPS Capital Process

- Digital Signage
 - Status: in City's Zoning Committee; this is held up until CPS and City of Chicago reach an agreement re: marquees citywide. The Alderman is keeping track of the status.
- Middle Playground
 - Submitted Capital Work request with CPS Facilities Manager 12/12/23. This will then (eventually) go out for bidding (this process is multi-stepped and very arduous).
 - Requested follow-up 1/9/24 & 1/16/24; no response.
